Why Choose Us

Comprehensive solutions for your industrial needs

Industry Experts

Product & machinery specialists

Zero Charges

No consultancy fees

End-to-End

Complete support & delivery

Installation

Onsite commissioning team

Sales Guarantee

For herbal extracts

Lab Setup

Chemical & microbial labs

Raw Materials

Sourcing & selection guidance

Custom Solutions

Tailored to your needs

Worldwide

Global plant setups

Engineering Excellence Since Inception

TURNKEY PROJECTS

Complete End-to-End Solutions for Industrial Plants

OUR CAPABILITIES

- ✓ Herbal Extraction Plant
- ✓ Essential Oil Extraction Plant
- ✓ Solvent Recovery Plant
- ✓ Dairy Plant
- ✓ Wet Scrubber
- ✓ Dust Extraction System
- ✓ Ash Handling System
- ✓ Used Oil Recycling Plant

Herbal Extraction Plant
